

“Unscripted” by Dexter Senft

Guess the words defined by the cryptic clues below and write the answers in the numbered dashes above the clues. Then transfer each letter to its corresponding square in the pattern, where thick lines indicate word endings. Answers vary in length from 6 to 12 letters, with one variant spelling. The filled pattern will contain a quotation. The first letters of each answer will spell the name of the author and title of the work. Answers occur in sets of three, labeled A-I. The clues are given in the proper order, but one letter from each set A-I must be omitted in order for the quotation to read correctly. Those nine letters, taken in order, spell a word related to the title of the puzzle and the quotation. Thanks to John de Cuevas for his many helpful suggestions.
